Timeless Elegance

Congratulations...On Your Engagement

Planning your wedding is a special time for you and one that should be exciting and fun, filled with beautiful memories. The Edwardian Calderwood Hall Manor House stands in the pristine countryside of Boston like a memory from a by-gone era. Today Calderwood Hall is a guesthouse, conference centre and wedding venue, it was built in the 1895 as the Jardine family home.

Everything You Need And More...

Our inviting **Jardine Function Centre seats 250 guests** comfortably whilst still allowing for a dance floor. It has a large outdoor verandah area overlooking the beautiful mountains and surrounding forests. **Our pretty and tranquil thatched stained glass chapel seats 150 guests.** As an alternative to the chapel, you can use the forest next to the dam or even the arbour in the front garden. **Our Pavilion is a casual lounge** area and it is great for guests to relax in on Friday and Saturday or for the pre-wedding Braai Dinner. Its even open for those late-nighters who want to move over after the Jardine Centre has closed to warm up around the fire pit. Over the years, we have built up a strong reputation for quality catering and function management and coordination. Guests can look forward to tasty food, beautifully presented, and a quiet, no fuss, management style. **Our accommodation** is AA Highly Recommended and we can sleep up to 68 guests on the estate.
